Fundraiser – The fundraiser has officially ended and we are in process of picking up all order forms from each building and getting everything counted. The company will be picking up our totals on Friday, the 19th at 8am. We sent cookies to all the buildings as a Thank you for all their help in collecting forms,tickets/passing out prizes each day. Pick up of merchandise will be Nov. 12th at the bus garage. Time has not been set yet. The Company brings in a team to deliver it and so you need to pick it up at that time or they will reschedule a time to come back with any remaining products. There were several questions about the Limo ride and we will be figuring that out in the next week after we get our numbers counted. We will most likely have kids parents sign a permission slip to go on the ride. The grab boxes from each building will be needed on Nov.12th. Other questions from fundraiser was having multiple kids in a family selling to meet a goal for prizes was hard, also questions on the matching grant money, and then

people that just wanted to donate money and not buy anything.

This is scheduled for this coming Monday Oct. 22, 2018 from 3 to 8 at Krout School. They came out and talked to the students at Krout about it and if anyone signed up from there, there was some kind of incentive. Volunteers were still needed to help with it.

Michelle Tuite is also looking into some other options while the kids are shopping – possibly having some local photographers come in and take a family picture (as a giving back to the community)

Kaylene Kiefer thanked us for purchasing 96 books for her classroom. The students love them. Nikki Jirian was requesting if we could use some of our Boxtops money to get Washington new kickballs/footballs for their playground.
